Tour Des Trees 2025

GENERAL NOTES:

- This is a general design concept, and is not representational of any particular size.
- Colors in this digital proof may appear inaccurate, depending on several factors, including monitor calibration, profile, software, etc. Your fabric sample will display the true colors that will be used for production on your design.
- Art does not scale per garment size, so we do not match graphics across any seams.
- Exposed zippers interrupt artwork. Text, diagonals and curves will be separated by the zipper. Items with exposed zippers include: Jackets, Vests, Velocity Jerseys & Suits, Long Sleeve Pro & Peloton Jerseys, & Superthermal Jerseys.
