Why you are serving on TREE Fund board? Direct the research and education committee

TREE Fund Committees you chair/serve on: Research and Education

Biography

Hallie Dozier graduated from Centenary College of Louisiana with a Bachelor's of Arts in Foreign Languages and Secondary Education. She served in the US Peace Corps for three years in Africa. Hallie earned her Master's of Science from Louisiana State University in Extension Education and Forestry. She received a Ph.D. in Forest Ecology from the University of Florida. Dr. Dozier is currently an Associate Professor in the LSU School of Renewable Natural Resources where her responsibilities include developing community tree care education programs, providing continuing education for licensed tree care professionals, developing and coordinating research and outreach on non-native invasive plants and urban forests in the region. She was Louisiana State Director for ISA Southern Chapter 2006-2008 and she is a current member of the ISA Science and Research Committee. She has served on the TREE Fund Board of Directors since 2009, as Chair of Research and Education since 2010.
