Please direct my donation to:

General Operating Fund: Supports the mission of TREE Fund where funds are needed most.

Partnership: Provides opportunity for corporations, small businesses and other community organizations to receive acknowledgment of their support for TREE Fund's charitable mission.

General Endowment Fund: TREE Fund will apply your gift to one or more of the endowment pools listed below, based on area of greatest need and current endowment building initiatives.

Thank you for supporting TREE Fund!

Bonnie Appleton Memorial Fund: Will support scholarships for students of urban forestry, arboriculture, horticulture and nursery management.

Barborinas Fund: Supports research into improved techniques for planting, root development and propagation of nursery trees.

Bartlett Fund: Supports scholarly research in the areas of residential and commercial tree care.

Collier Arborist Training Trust Fund: Fosters, promotes and supports the teaching of practical applied arboriculture in the greater Portland area, the Pacific Northwest, and beyond as resources allow.

John and Evelyn Duling Fund: Provides start up or seed funding to support innovative research and technology transfer projects.

Robert Felix Memorial Fund: Provides scholarships for students of arboriculture and education programs for children K-12.

Frank E. Gamma, Sr. Arboriculture Education Fund: Supports local and regional arboriculture training and education programs.

Larry R. Hall Memorial Scholarship Fund for Education and Training: Supports student scholarship.

Jack Kimmel International Grant Program: Supports international research into arboriculture and urban forestry. Administered jointly by TREE Fund and the Canadian TREE Fund.

Dr. Mark S. McClure Research Fund: Supports the TREE Fund Research Fellowship.

Ohio Chapter ISA Endowment Fund: Supports educational programming focusing on arboriculture and urban forestry. Grants may be made only to organizations in Ohio serving individuals 16 years of age or older.

Safe Arborist Techniques Fund: Supports original research that creates a safer work environment for people working in the tree care industry and the general public they serve.

Bob Skiera Memorial Fund: Endows the “Building Bridges Initiative” to foster better communication of urban forestry principals and practices to urban planning and development professionals.

Horace M. Thayer Scholarship Fund: Supports college students from Pennsylvania or Delaware enrolled in a program related to the practice of arboriculture and urban forestry.

Tree and Soil Research Fund for Landscape Architecture: Supports areas of research of interest to the landscape architecture community with special focus in the area of trees and soils.

Utility Arborist Research Fund: Supports research into issues affecting utility arboriculture and right-of-way management.

Fran Ward Women in Arboriculture Scholarship Fund: Supports female college students from Pennsylvania or Delaware enrolled in a program related to the practice of arboriculture and urban forestry.

John White Fund: Supports education of municipal decision makers and the general public about the importance of quality urban forestry.

John R. Wright Memorial Scholarship Fund: Provides scholarships for high school graduates entering the business of arboriculture.

Thank you for supporting TREE Fund!
