

## How to Join a Tour des Trees 2020 Fundraising Team

1. You will need to first create a personal fundraising page. If you haven't already done so, please visit our [fundraising landing page](#) and select the appropriate option to create a fundraising page.
  - a. *Can't remember if you already created a fundraising page? You can double check by typing your name in the search bar [here](#).*
2. Once your fundraising page is created, make sure you are logged into your account (you can do this from your fundraising page, see below).

3. On your fundraising page, select to join a team (see below). Please do not select “create a new team”. Contact [Maggie Harthoorn](#) if you have questions or wish to form a team page that does not already exist.

- From that screen, scroll through the existing teams and select to join your respective team (see below).
