

Ordering Apparel from Voler

Please keep it mind that it can take 7 to 10 business days after your registration for your credit to become available

After you registered for the Tour, Voler emailed you a credit for the jerseys included in your registration. It was sent to the email address you used to register for the ride; if you don't see it, please check your spam.

Included with your registration

- Full-Tour riders (3 or more days): Two short-sleeved jerseys
- Partial-Tour riders (2 days or fewer): One short-sleeved jersey
- NOTE: Your jersey credit applies only to short-sleeved options. The credit can also partially cover long-sleeve jerseys, and you will need to cover the remainder of the balance.
 - o Pro tip: add UV sleeves (arm covers) to your packing list. These affordable sleeves can be purchased online or at most bike shops. They pack small and can be easily pulled on or off during your ride each day as needed.
- Order before June 27, 2022!
