

Lori Brockelbank is an Area manager with Davey Resource Group's Natural Resource Consulting (NRC) team. Lori has experience in both traditional forestry and urban forestry. She specializes in tree inventories, urban forest management/master plan writing, and contract processes (writing, bidding, and administration). Ms. Brockelbank also focuses on private and community land activities that include insect/disease diagnosis, tree planting plans and inspections, and working with municipalities to obtain Tree City USA status. She has taught an Introduction to Urban Forestry course at Jamestown Community College and has instructed at numerous Master Gardener programs. As a business developer in her home state of New York, Ms. Brockelbank provides community and urban forestry solutions focusing on outreach, planting, and risk management. Ms. Brockelbank is an International Society of Arboriculture (ISA) Certified Arborist and Municipal Specialist (NY-5326AM). She is President of the New York State Arborist Association, a board member of the New York State Urban Forestry Council. Ms. Brockelbank is also a graduate of the Municipal Forestry Institute (MFI). Ms. Brockelbank graduated from SUNY-ESF (College of Environmental Science and Forestry), where she holds a bachelor's degree in natural resource management. She has participated in five Tour des Trees.
