

Megan L. Fielding is Vice President, Sustainability at Asplundh Tree Expert, LLC.

Asplundh Tree Expert, LLC is a family-owned and managed company headquartered near Philadelphia in Willow Grove, PA. Asplundh provides a single point of contact as “OneAsplundh” for an extensive range of vegetation management, engineering and utility infrastructure services to utilities, municipalities and other commercial and industrial customers.

Megan leads corporate sustainability, including environmental, social and governance initiatives, and works closely with external partners to deepen Asplundh’s commitment to its local communities. With over three decades of expertise in financial services and responsible investing, she collaborates with teams across the organization, including operations, fleet, procurement, and legal, to integrate sustainability principles into business operations and decision-making processes.

Megan holds her MA in International Studies from the University of San Francisco, BA in Economics from Wheaton College (MA), and certificate in Sustainability Leadership from Harvard T.H. Chan School of Public Health. She serves on the Board of Trustees and Development Committee for the Tree Fund and is a Brand Ambassador for FINCA International.
